

COFFEE TABLE NIZZA

PER ÖBERG DESIGNED the Nizza coffee table, which is a further development on a table he designed for his private apartment in Nice. His inspiration came from the wrought-iron furniture typically found in the south of France. Nizza's glass cabinet form is in the spirit of Estrid Ericson, with trays that pull out and glass for display. The legs, with their brass paws, enclose the glass shelf in the same way as in furniture designed by Josef Frank. The table can be specially ordered with leaves in plated glass or leather.

COFFEE TABLE NIZZA

MATERIAL Brass, glass och powdered coated metal. Optional extras: mirror and leather in green, black or light brown.

CARE INSTRUCTIONS To clean, use a soft cloth dampened with a mild detergent or soapy water. Make sure to wipe the surface dry immediately. Dry in the direction of the material's grain.

Lacquered or coated pieces can be harmed by direct contact with heat and prolonged humidity. Scratches can be extra visible on colour-coated surfaces, but at the same time, these are also part of the table's character. If there is deeper damage to the metal, we recommend you to contact an expert to avoid corrosion.

Optional extras: Do not expose the mirror to prolonged humidity or direct heat or use polish, oil or abrasive cleaners.

Wipe clean the leather with a slightly damp cloth. Do not waterproof and never use stain removers or degreasers on the leather surface. Leather products should be protected from heat and direct sunlight
