

# TABLE LAMP BAMBOO

DESIGNER: JOSEF FRANK, 1940 / 1950'S

Josef Frank received inspiration from Asia when he decorated the Museum of East Asian Art in Cologne in 1912. This inspiration then followed him throughout his active years as a designer, both when it came to form and materials. He probably designed the Bambu table lamp for Svenskt Tenn during the 1940s and 50s - a period when he created several objects with Asian influences.
