

FLOOR LAMP 2326

DESIGNER: JOSEF FRANK / INDIA MAHDAVI

Josef Frank created the 2326 floor lamp in 1934, and in 2022, French architect and designer India Mahdavi modified the lamp, creating a new, contemporary version of it.

This unique floor lamp is all about exaggeration, with abounding orange colours and a vibrant lampshade.

Mahdavi added an orange leather wrap, combining it with a unique version of lampshade 2560, nicknamed the “Carl Larsson lamp” – a Swedish painter representative of the Arts and Crafts movement.

The lampshade has become a classic in Svenskt Tenn's range, inspired by the Larsson family's home in Sundborn, Sweden. Mahdavi created her version of the lampshade in Josef Frank's well-known Vegetable Tree print. The lamp and lampshade are sold separately.
