

BENCH E8

DESIGNER: JOSEF FRANK

This elongated and slim bench was probably designed by Josef Frank for Svenskt Tenn in the 1930s. Its elegant design makes it well suited for halls and walk-throughs. The bench is craft-made by Gemla, Sweden's oldest furniture factory.

CARE INSTRUCTIONS

Svenskt Tenn's furniture is made from wood that is varnished or coated. Clean with a soft cloth dampened with mild dish detergent or soapy water. Dry with a soft cloth. Do not expose the furniture to prolonged humidity or direct heat or use polish, oil or abrasive cleaners on the furniture.

Contact a furniture restorer if the coating or wood gets damaged, as it can get worse if not tended to.
