

AMRCHAIR P4

DESIGNER: JOSEF FRANK, 1920s

Josef Frank designed several bentwood chairs in the late 1920s, some of which were produced for Thonet-Mundus AG in Vienna. The bentwood P4 chair's original sketch has been preserved in Svenskt Tenn's archive and has probably never been produced until now. Its lattice back and turned spindles give it a light and airy look.

CARE INSTRUCTIONS

Svenskt Tenn's furniture is made from wood that is varnished or coated. Clean with a soft cloth dampened with mild dish detergent or soapy water. Dry with a soft cloth. Do not expose the furniture to prolonged humidity or direct heat or use polish, oil or abrasive cleaners on the furniture. Also avoid exposing the furniture to large changes in temperature and humidity.

Contact a furniture restorer if the coating or wood gets damaged, as it can get worse if not tended to.
